

VC 开通多类目

如下图是我开通的类目

Select up to 20 product types

Appliances (4)

Arts, Crafts and Sewing (3)

Automotive (4)

☐ Baby Products

☐ Beauty

☐ Camera and Photo

☐ Computers

☐ Digital Music

☐ Digital Video

☐ Electronics

☐ Health and Personal Care

Home (5)

☐ Kindle Accessories

☐ Office Products

Pet Supplies (4)

开通类目就是开 Case,让客服给你开，就可以了，简单的很。

1. 开 CASE 路径：后台 >>support>>contact us>> 选择一个类目 >>Manage My Catalog>>New item set up,在这里点进去，发邮件就可以，最终的路径随便选一个都可以，几乎都可以达到效果。截图如下：

这是我开 CASE 记录：

5/2/2018 6:31 PM Time	[REDACTED]	Resolved	[REDACTED]@look.com	New Item Setup: Add a new category
5/2/2018 12:24 AM Time	[REDACTED]	Resolved	[REDACTED]@look.com	New Item Setup: Add a new category

亚马逊回复说已经开了，等待一会就可以

5/22/2018 2:30 AM Time	no-reply@amazon.com	Email	Greetings, Thank You for contacting Amazon Vendor Support Team. This is Rishabh and it is my pleasure assisting you. As per your request I have added the categories. Please allow five days for it to reflect on website as catalog refreshes every fifth day. We truly appreciate your contributions to our catalog- it ultimately adds up to a better customer ex Thanks for doing business with us. Have a nice day! Please let us know how we did. Were you satisfied with the support provided?

这个是发的邮件，下面还有两封邮件，都分常简单。

更新，上面的开 CASE 开通类目的方式是不行了啊，现在是开了 CASE 之后要你提供相应类目的一些信息，比如 SKU 等一些信息，不容易开了。
