17 **Description:** Visa's market share in Saudi Arabia declined by 23 percentage points between 2020 and 2024, causing it to lose its position as one of the leading payment card brands. The biggest brand is mada from the Saudi Payments Network, accounting for 87 percent of market share as of 2024. This local ATM and POS network used to be known as SPAN and is developed domestically to promote digital payments. Consequently, the market share of cash money in Saudi Arabia is declining, although still [...] [Read more](#)
